# Funny answering machine messages commercial

**VOICE 1] Answer the phone, please, Hal.**  
**VOICE 2] I'm sorry, Dave, I can't do that.**

Don't you do it! Don't you dare! I don't want to hear it! Don't you beep! If you beep, I'll...don't even think about it!...Don't...!

This is you-know-what you-know-when. We are you-know-where. Leave your you-know-what you-know-when.

After the tone, leave your name, number, and tell where you left the money. I'll get back to you as soon as it's safe for you to come out of hiding.

This is a test. This is a test of the Answering Machine Broadcast System. This is only a test.

Hello. I'm home right now but cannot find the phone. Please leave a message and I will call you up as soon as I find it.

Hello. I'm John's answering machine. What are you?

7. I'm sorry, Dave, I can't do that.

8. Answer the phone, please, Hal.

Funny phone answering machine messages. Funny voice answering machine messages. Funny answering machine messages.

That was until the emergence of the masks of answers at home, the boxes that would connect to their phono that would allow people to leave messages in a cassette. Your payment will be returned if you are not completely satisfied. He could not connect the cassette to his answering machine. In 2015, the original crazy calls (as well as a bonus cuts) were launched digitally for the first time through Bandcamp. To create a fun outgoing message, you can trust your own sense of humor or try to guess what your friends, family or other people you can appreciate. The most easy way to make a fun outgoing message is to find one on the Internet and transfer it to its machine. (The great rap à it was someone's introduction to the music. The common techniques are to present themselves as another person with a humor If I had really answered the phono. There was "Boogie Woogie", and Swing-Jazz Bop style andrews swing: "How are you? Select your message, wait until you listen to the 4th beep and then immediately press the boton of registration in their answering machine. , a simple automatic outgoing message is enough. Uchos others would take things more there, creating their own small parodies or funny songs (to the George Costanza). Paypal is a ramid and safe way to pay. Type: MP3 (128kbps) Price: 1.00 USD Answer MP3 call message for your telvil or house. Crazy calls Cassette's cover | Photo: Discogs The commercials seemed to function Causing the fragments of the jokes on the tape to pounce forever in the brain of a few addicts to the television of à © little. But in 1985, I could call a family member, a friend or a loving inter- s Answers, Aâ°n can use ideas that he finds in line and other sources, or he can try to write his own material. Jimmy Fallon and Justin Timberlake making crazy calls "the rap" in 2014 | Photo: YouTube/NBC in 2014, "El Rap" It was included in "History of Rap 5", a segment in the show tonight in which Jimmy Fallon, Justin Timberlake and the roots make a mixture of classic hip hop songs. After finding a fun message in line, should determine how to take him to his answering machine. human being before "" I'm not here "" message is back to trar. J] Recording Studios Copyright will be deleted from audio clips in the purchase. An inexpressive "you know what to do" was enough. To buy, you can call a number of 800 with a crest card or, if you had a little more patient, send a postal check or turn to a P. O. Box in New York City. There are a number of sources of lollipop answers, some of which are free and others that are not. A variety of pregnant cassettes with slightly fun pieces, including songs in a variety of musical styles, were easily available in the middle of the 80s to fill that hole in the market. This can be achieved by finding a fun idea in line and then reading it in its answering machine, unless Present yourself with your own original idea. Jude reached to respond and the person called. À è à- à è Beep à- | Photo: YouTube but as The masks became more part of daily life, some people loved something more outside their outgoing message that only, "I am not at home, but I leave a message and I will return the call." Users of Malm answers sought outgoing messages that would better reflect their personalities. Set the volume control in the normal speech volume. Radio Shack had its own line of colorful messages of outgoing messages, but there was a tape that was above the rest. Release the registration boton. To obtain madness, the call track in its corner took some rays. You are ready to enjoy the crazy calls. If you saw a lot of television in mid-afternoon in the 80s, it is likely to remember the commercial calls, a 7-track cassette tape that was sold for \$ 14.95 ... more \$ 3 for frank and handling. Our unique selection of custom call tones will make your telephone message stand out between the crowd. Look at the 'crazy calls' commercial. Will listen to 4 beeps before each message. Type: MP3 (128kbps) Price: 1.00 USD Answer Answer MP3 call message for your home or home. 02 Press the PayPal Cart boton to buy. These messages often consist of little more than the name and number of telà © phono called, and an invitation to leave a message. As humor is subjective, not everyone will find the same fun messages. 01 Transmit the samples to listen. Let the corner play until the end. The next audio collection contains funny greetings, strange and sometimes extremely strange to be a safe fire with his calling person. As such, Crazy Calls remains a source of calling calls from the 80s in popular culture. Another memorable part of the commercials of Crazy Calls was "the rap", a hip hop jam that reflected the sound of the music rap to of the 80s. The most easy way to create a fun answer message is to locate one on the Internet. Also on the tape were him À è à- À "Hame if it can be able ", the Humphrey tribute with flavor to wop, the tribute Humphrey Bogart" "Boogie" (the only track not presented in the commercial) and the one by himself" Beethovens "Fifth", which He added voices and letters to one of Ludwig's most famous riffs ("Nobody's Home/Nobody's Home "). According to the instructions in the tape sleeve:" Use your crazy calls, simply place the speaker of its player of Cassette or a 1-footing reo of your automatic answering microse. I'm sorry, I'm not a home/but when I receive the message in my telà © phono/you will be the first on my list ... or maybe you want to go a little more mysterious and hit the people they call with à è à- À "area of the surveillance machine, a parody of the twilight zone with an off voice similar to the bar. Yes, children before the magic of the digital voice mail, we would have masks with cassette tapes that responded to our telism. Really great people bought a product called 'Locas Calls', this put an entertainment in the usual mental rough messages that normal people would have in their response. Mals. in the style of Beethoven and the fifth symphonide of him. Then we got into the discussion about the masks of answers. Keep in mind that not everyone appreciates the messages of fun answers, and if you receive a commercial call, an inappropriate outgoing message can make it look unprofessional. One way to perform this transfer is to simply place your computer speaker near your answering machine microphone and record it that way. Many funny contesting messages are unexpected or attempt to make it momentarily or deceive the person who calls somehow. Do you have a naughty sense of humor? Reference has been made in programs such as The Simpsons and Family Guy and the comedy of the eighties, The Goldbergs, even had a Complete 2016 entitled "Crazy calls" that referred to the cassette. Do you want to see how great we do in the past? Maybe you wanted to express your separate separate But, what happens with those who wanted to take their outgoing message game at the next level but would not want to do their own creative work? Some people prefer to create some funny outgoing message type, either for personal diversion or to cheer up the day of a person who calls. If your answering machine has extra storage or is based on computer, it may also be possible to transfer the message directly. This can be achieved by recording directly from the speakers of your computer to the response microphone or by means of a direct digital transfer depending on the hardware with which you have to work. Wait many laughs when adding these hilarious and unusual contour audio messages to customize your móvil and homemade telom. Another way to create fun messages from answers is to record them yourself. There are some different ways to create funny messages of answers, depending on their sense of humor and the amount of effort you want to make. The other mänge Jude and I were sitting in the control room and sounded the belt line. In these days, if he has the number of telà © phono of someone, he hopes to communicate with them almost instantly. Because the majority of the people have their teloms in their person at all times. Inconated between run-d.M.C. And Tone Loc, the singer and interview programs presenters eliminated the immortal bars of the outgoing message: "I'm glad you've called, but I am not at home /but I will return before a long time /you have to speak your style, and Your number also/and this is all you have to do/wait for the beep/you must leave your name, you have to leave your number/wait for the beep. The creators of Crazy Calls, Mitch and Ira Yuspeh, still are in the music business, offering recording services and more than their recording and compava study study Based in New York. Type: MP3 (128kbps) Price: 1.00 USD Answer Answer MP3 call message for your home or home. I do once, yes To talk to someone for a phono and they were not at home and could listen to the ring, they were not lucky and just have to keep calling until the person was there. Jude, from nowhere he began to sing this, "nobody is at home ... nobody is at home ... at home ...
